

But they're kind
and seemed like
they have good
manners...

Also I could feel
that here there
are many
family-orientated
people...

Oh- What is
your favourite thing
that you did?

...that England had lots of wide fields and beautiful nature.

the houses were pretty and places are very clean and

The weather was very unpredictable as she had heard

I had a really nice time too, mother is late. Don't go-

Hold Your eyes are a little bit wet. Are you going to cry?

But I could tell that he also had a very nice time so I was relieved and thankful for him.

In fact, my worry could be put in the shade because...

Time flew by quickly and the day that my mom was going to leave us was coming.

While we had the last meal in a restaurant, May asked my mom.

He was a man who could say this

During one and a half months,
what impressed my mom was...

Everything was fun.
I can't choose just
one. He he.

Ah- Hehe,
But seeing Penguin
was the best thing
among, right?

Hee

Right
Hehe

It seemed like my mom
had had a nice time with us.
We were very happy.

I was worried that it might be a tough time for Max that he was spending time with my mom for quite a long time.

I was suddenly
reminded about what
he said at the park
the other day.

...He didn't abandon his natural
and comfortable life style.

At the park
